Sir/Madamm this obsured quest by the NAB to stop xm radio from offeing satilite new andd weather is appaling. if the this so called NAB was so good i would still listen to reguluar radio. I drive over the road and when I get near a major metro are I do not want to have to wait 30-60 minutes on a so called news station for local traffic. XM gives it to me when "I" need it. please get the NRB assn of the backs of xmKarl E. N. Warren
